

Earrings « Jenny »

Materials: (14).Khéops®.par.Puca®,.(28) 3mm.Fire.Polished.Rounds..R15, R11, R8, 2.-.14mm Cabochons.
2.-.Drops,.and..2.Earwires.

Starting from the R11 you just exited add 1 F, 1R11 & 1F and pass through the next R11 marked with a •

Continue around the ring following that same path through all the R11's

Tighten your cord so that it appears like below

Place your Cabochon in the Center. In Between each R11 you are going to add one Fire Polished Round.

Tighten your thread so that it looks like below image.

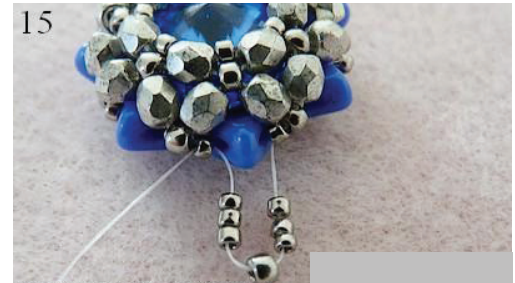

In Between Each Fire Polished Round Add one R15.

To add a Drop at the Bottom: Pass through the bottom R11 twice and add 2R15, 1G, 2R15, and then Pass through that two times to reinforce!

To Place the Earwire at Top: Find the Kheops that is directly across from the Drop you just put on. Pass the thread back through the piece until it comes out at the R15 marked • in the image.

Add 3R15, 1R8, 3R15 making a loop by going through the other other R15 adjacent to the Kheops. Pass through the loop twice to reinforce it.

16. Then you can add a small ump ring through the top R8 and add earwire to the loop.

17. Repeat all steps to make a second one.

Thank.you.very.much ... You.just.made.the. « Jenny ».
